CITY OF LAVON

Agenda Brief

MEETING: March 27, 2020

ITEM: 4 – A

Item:

Discussion and action regarding Resolution No. 2020-03-08 providing guidance to protect the safety and welfare of the public supplemental to the Declaration of Local State of Disaster Due to Public Health Emergency executed by Mayor Vicki Sanson on March 16, 2020 and extended by the City Council on March 23, 2020 until April 8, 2020; and providing an effective date.

Background:

On March 17, 2020, the City Council directed city staff to:

- Operate in accordance with a Draft Business Disruption Plan
- Close city facilities to the public; remain fully staffed – city hall & gym, municipal court, police department offices
- Conduct telephonic Public Meetings per Open Meetings Act
- Provide salary continuation as deemed necessary by the City Administrator for COVID-19 related leave
- Suspend disconnection for delinquent utility payments
- Cancel Events: cancel Breakfast with the Bunny on 4/4 and postpone the LFD HazMat class; suspend LVFD regular meetings. Subsequent to the March 17 meeting, the LEDC Spring Bazaar on April 18 was cancelled. On April 7, 2020, the City Council is scheduled to consider whether or not to host the CWD X-treme Green Event on April 25.

On March 24, 2020, after consulting with area mayors, County Judge Chris Hill issued an executive order. The Texas Government Code provides that if there is a conflict between the declarations of a county judge and mayor, the county judge prevails with respect to ingress, egress and evacuations. The Texas Health and Safety Code provides authority for general law cities to take certain actions relating to disease suppression.

Code Excerpts:

TEXAS GOVERNMENT CODE

Sec. 122.005. POWERS OF TYPE A GENERAL-LAW MUNICIPALITY.

- (a) The governing body of a Type A general-law municipality may take any action necessary or expedient to promote health or suppress disease, including actions to:
- (1) prevent the introduction of a communicable disease into the municipality, including stopping, detaining, and examining a person coming from a place that is infected or believed to be infected with a communicable disease;
 - (2) establish, maintain, and regulate hospitals in the municipality or in any area within five miles of the municipal limits; or

- (3) abate any nuisance that is or may become injurious to the public health.
- (b) The governing body of a Type A general-law municipality may adopt rules:
 - (1) necessary or expedient to promote health or suppress disease; or
 - (2) to prevent the introduction of a communicable disease into the municipality, including quarantine rules, and may enforce those rules in the municipality and in any area within 10 miles of the municipality.
- (c) The governing body of a Type A general-law municipality may fine a person who fails or refuses to observe the orders and rules of the health authority.

The Mayor and members of the City Council indicated a desire to expand and further refine the regulations for the residents of Lavon as a supplement to the Declaration extended and in effect until April 8, 2020.

The purpose of this resolution is to protect and promote the health, welfare and safety of the City. The proposed resolution is organized as follows:

1. Findings and confirmation of the Declaration in effect until April 8, 2020
2. Supplement to the declaration
3. Municipal authority
4. Incorporation of the Governor's Executive Order
5. Gatherings
6. Restaurants and food establishments
7. Fitness, salons and personal service establishments
8. Public playground and recreational facilities
9. Medical, surgical and dental establishments
10. General business conduct
11. Rental relief
12. Utility service disconnection
13. Positive testing
14. City meetings
15. Social Distancing Recommendations

In the preparation of the resolution, research and a survey were conducted of the declarations and orders of the following entities: Collin County, Rockwall County, Denton County, City of McKinney, City of Rockwall, and City of Wylie.

With respect to enforcement, as Police Chief Mike Jones has stated on numerous prior occasions, the police department will endeavor and make every effort to gain compliance with the regulations through education rather than citation; this situation is no different.

Fire Chief and Emergency Management Coordinator Danny Anthony is in close communication with the Texas Department of Health daily, Collin County Emergency Managers weekly as well as other government and health agencies. The city staff is taking reasonable steps to be as prepared as possible for what might be ahead.

Financial Implications:

The COVID-19 Pandemic presents unknown impacts for the City's financial condition. The direct financial impact of the Orders/Declarations on the delivery of municipal law enforcement

services, emergency response services or general municipal services is not easily discernable. The temporary suspension of utility service disconnections will reduce resources allocated to this function.

In general, approved allocated expenditures have been restricted. The new hire of an authorized position in the Police Department has been temporarily frozen. Productivity lost to leave related to COVID-19 has been manageable thus far. City staff is closely monitoring current and projected activities for budgetary impacts.
