(b) The City Council hereby agrees that Sections 8.03 and 9.07 of the Development Agreement that require the Developer to deposit with the trustee for the Bonds, simultaneously with the closing of the Bonds, an amount sufficient to pay costs to construct or acquire the Water Improvements necessary for the development of Improvement Area #3 not funded with the proceeds of the Bonds, or furnish a letter-of-credit, or other suitable assurances of sources of funding acceptable to the City, in an amount equal to the amount otherwise required to be deposited with the trustee for the Bonds, has been satisfied because the City has received what it has determined to be adequate assurances from the Developer for the payment of the remainder of such Water Improvements.

(c) The Mayor, the Mayor Pro Tem, or the City Administrator are each hereby authorized to execute and deliver an agreement, certificate or other instrument evidencing the waiver and agreement in this Section.

Section 10. Effective Date. This Ordinance is passed on one reading as authorized by Texas Government Code, Section 1201.028, and shall be effective immediately upon its passage and adoption.

same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Indenture unless and until there appears thereon the Certificate of Trustee substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Trustee. It shall not be required that the same officer or authorized signatory of the Trustee sign the Certificate of Trustee on all of the Bonds. In lieu of the executed Certificate of Trustee described above, the Initial Bond delivered on the Delivery Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller, or by his duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General, is a valid and binding obligation of the City, and has been registered by the Comptroller.

(d) On the Delivery Date, one Initial Bond representing the entire principal amount of all Bonds, payable in stated installments to the Purchaser, or its designee, executed with the manual or facsimile signatures of the Mayor and the City Secretary, approved by the Attorney General, and registered and manually signed by the Comptroller, will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Trustee shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC.

Section 3.6. Ownership.

(a) The City, the Trustee, the Paying Agent/Registrar and any other Person may treat the Person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment as provided herein (except interest shall be paid to the Person in whose name such Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not such Bond is overdue, and none of the City, the Trustee or the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of any Bond shall be valid and effectual and shall discharge the liability of the City, the Trustee and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.7. Registration, Transfer and Exchange.

(a) So long as any Bond remains outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will maintain a copy of the Register, and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.

(b) A Bond shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. The Trustee is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each transferred Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such transferred Bond is delivered.

(e) Each exchange Bond delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond.

(g) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond or portion thereof called for redemption prior to maturity within 45 days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.8. Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. Whenever in this Indenture provision is made for the cancellation by the Trustee of any Bonds, the Trustee shall dispose of cancelled Bonds in accordance with its record retention policies.

Section 3.9. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Trustee shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.10. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a

replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11. Book-Entry Only System.

(a) The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Delivery Date the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying

Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date or Special Record Date, as applicable, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the blanket letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect

to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

* Stated Maturity.

(b) At least 30 days prior to each mandatory sinking fund redemption date, the Trustee shall select by lot, a principal amount of Bonds of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 30 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 30 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption provisions in Section 4.3 hereof or the extraordinary optional redemption provisions in Section 4.4 hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3. Optional Redemption.

The City reserves the right and option to redeem Bonds before their scheduled maturity date, in whole or in part, on any date on or after September 15, 20[], such redemption date or dates to be fixed by the City, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the date of redemption.

Section 4.4. Extraordinary Optional Redemption.

The City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part, on the fifteenth day of any month, at a redemption price equal to the principal amount of the Bonds, or portions thereof, called for redemption, plus accrued and unpaid interest to the date fixed for redemption, from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund as provided in Sections 6.7(a) and 6.7(c)) or any other transfers to the Redemption Fund under the terms of this Indenture.

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to either Sections 4.3 or 4.4, the particular maturity of Bonds or portions of a maturity of Bonds to be redeemed shall be selected and designated by the City in its sole discretion. If less than all of the Bonds of a maturity are to be redeemed pursuant to Sections 4.2, 4.3 or 4.4, Bonds shall be redeemed in increments of \$1,000 by any method selected by the Trustee that results in a random selection, provided that no redemption shall cause the principal amount of any Bond to be less than the

minimum Authorized Denomination for such Bond. Notwithstanding the foregoing, if any Bonds are to be partially redeemed and such redemption results in the redemption of a portion of a single Bond in an amount less than the Authorized Denomination in effect at that time, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by the minimum Authorized Denomination for such Bond.

(b) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.5, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

(e) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the designated corporate trust office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

ARTICLE V

Section 5.1. Form Generally.

(a) The Bonds, including the Registration Certificate of the Comptroller, the Certificate of the Trustee, and the Assignment to appear on each of the Bonds, (i) shall be substantially in the form set forth in this Article with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Indenture, and (ii) may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as, consistently herewith, may be determined by the City or by the officers executing such Bonds, as evidenced by their execution thereof.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Delivery Date, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 15 and September 15 of each year, commencing [March 15, 2023], until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture (defined below) have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas (the "*Designated Payment/Transfer Office*"), of Wilmington Trust, National Association as trustee and paying agent/registrars (the "*Trustee*"), or, with respect to a successor trustee and paying agent/registrars, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the last Business Day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "*Special Record Date*") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated as of the Delivery Date and issued in the aggregate principal amount of \$15,096,000 and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of December 1, 2022 (the "*Indenture*"), by and between the City and Wilmington Trust, National Association, as trustee (the "*Trustee*," which term includes any successor trustee under the Indenture), to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying Costs of the Improvement Area #2 Improvements, (ii) paying Costs of the Improvement Area #3 Improvements, (iii) funding a reserve fund for payment of principal and interest on

Bonds, (iv) funding the initial deposit to the Administrative Fund for the payment of the initial Annual Collection Costs, and (v) paying Bond Issuance Costs.

The Bonds are limited obligations of the City payable solely from the Trust Estate. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

IN THE INDENTURE, THE CITY HAS RESERVED THE RIGHT to issue Refunding Bonds payable from and secured by a lien on and pledge of the sources described above on a parity with this Bond.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in denominations of \$100,000 and any multiple of \$1,000 in excess thereof ("Authorized Denominations"). Except to the extent permitted by the Indenture, the City prohibits the breaking up or allocation of CUSIP numbers to any Bond or Bonds in denominations of less than \$100,000, and any attempt to do so will be void and of no effect.

The Bonds maturing on September 15 in each of the years 20[] and 20[] (collectively, the "Term Bonds"), are subject to mandatory sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a redemption price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI of the Indenture, on the dates and in the respective sinking fund installments as set forth in the following schedule:

* Stated Maturity.

At least 30 days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Bonds of such maturity equal to the sinking fund installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6 of the Indenture.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 30 days prior to the sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 30 days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

The City reserves the right and option to redeem Bonds before their scheduled maturity dates, in whole or in part, on any date on or after September 15, 20[], such redemption date or dates to be fixed by the City, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the date of redemption.

The Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on the fifteenth day of any month, at a redemption price equal to the principal amount of the Bonds, or portions thereof, called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments or any other transfers to the Redemption Fund under the terms of the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class

United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or portion thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The City has the right to rescind any optional redemption or extraordinary optional redemption described in the Indenture by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF LAVON, TEXAS, COLLIN COUNTY, TEXAS OR THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

The Pledged Funds shall constitute trust funds which shall be held in trust by the Trustee as part of the Trust Estate solely for the benefit of the Owners of the Bonds. Amounts on deposit in the Funds and Accounts shall be used solely for the purposes set forth herein.

(d) Interest earnings and profit on each respective Fund and Account established by this Indenture shall be applied or withdrawn for the purposes of such Fund or Account as specified below.

Section 6.2. Initial Deposits to Funds and Accounts.

(a) The proceeds from the sale of the Bonds shall be paid to the Trustee and deposited or transferred by the Trustee as follows:

Section 6.3. Pledged Revenue Fund.

(a) Periodically upon receipt thereof, the City shall transfer to the Trustee for deposit to the Pledged Revenue Fund the Assessments and Annual Installments, other than the portion of the Assessments and Annual Installments allocated to the payment of Annual Collection Costs and Delinquent Collection Costs, which shall be deposited to the Administrative Fund in accordance with Section 6.9 hereof. Following such deposit to the Pledged Revenue Fund, the City shall transfer or cause to be transferred, pursuant to a City Order provided to the Trustee, the following amounts from the Pledged Revenue Fund to the following Accounts: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund, an amount sufficient to pay debt service on the Bonds next coming due, taking into account any amounts then on deposit in such Principal and Interest Account, and (ii) second, if necessary, to the Reserve Account of the Reserve Fund, an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement. Notwithstanding the foregoing, the Additional Interest shall only be utilized for the purposes set forth in Section 6.7 hereof and, immediately following the initial deposit to the Pledged Revenue Fund, prior to any other transfers or deposits being made under this Section 6.3(a), if the Delinquency and Prepayment Reserve Account of the Reserve Fund does not contain the Delinquency and Prepayment Reserve Requirement and Additional Interest is collected, then all such Additional Interest will be transferred into the Delinquency and Prepayment Reserve Account until the Delinquency and Prepayment Reserve Requirement is met. In addition, in the event the City owes Rebataable Arbitrage to the United States Government pursuant to Section 6.8 hereof, the City shall provide a City Order to the Trustee to transfer to the Rebate Fund, prior to any other transfer under this Section 6.3(a), the full amount of Rebataable Arbitrage owed by the City, as further described in Section 6.10(f) hereof. If any funds remain on deposit in the Pledged Revenue Fund after the foregoing deposits are made, the City shall have the option, in its sole and absolute discretion, to use such excess funds for any one or more of the following purposes: (i) pay Costs of Improvement Area #2 Improvements, (ii) pay Costs of Improvement Area #3 Improvements, (iii) pay other costs permitted by the PID Act or (iv)

deposit such excess into the Redemption Fund to redeem Bonds as provided in Article IV. Along with each transfer to the Trustee, the City shall provide a certificate as to the funds, accounts and payments into which the amounts are to be deposited or paid.

(b) From time to time as needed to pay the obligations relating to the Bonds, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account to the Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

(c) If, after the foregoing transfers and any transfer from the Accounts of the Reserve Fund as provided in Section 6.7, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds in the same manner described in Section 11.4(a) herein.

(d) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Prepayments within two business days after receipt thereof to the Pledged Revenue Fund and after such deposit shall transfer such Prepayments to the Redemption Fund.

(e) In accordance with instructions received from the City, the Trustee shall transfer Foreclosure Proceeds first to the Reserve Fund to restore any transfers from the Accounts within the Reserve Fund made with respect to the particular Assessed Property to which the Foreclosure Proceeds relate, and second, to the Redemption Fund promptly after deposit of such amounts into the Pledged Revenue Fund.

(f) After satisfaction of the requirement to provide for the payment of the principal of and interest on the Bonds and to fund any deficiency that may exist in the Reserve Fund, the Trustee shall transfer any Pledged Revenues remaining in the Pledged Revenue Fund for the purposes set forth in Section 6.3(a) hereof, as directed by the City in a City Certificate.

Section 6.4. Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds.

(b) If amounts in the Principal and Interest Account are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Accounts of the Reserve Fund, as provided in Section 6.7, amounts to cover the amount of such insufficiency. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1. Except as provided in Sections 6.5(c), (d), (f), (g) and (h), money on deposit in the Improvement Area #2 Bond Improvement Account of the Project Fund shall only be used to pay Costs of the Improvement Area #2 Improvements, and money on deposit in the Improvement Area #3 Bond Improvement Account of the Project Fund shall only be used to pay Costs of the Improvement Area #3 Improvements.

(b) Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay specified portions of the Bond Issuance Costs pursuant to one or more City Certificates. Disbursements from all other Accounts in the Project Fund to pay Costs of Improvement Area #2 Improvements and Costs of Improvement Area #3 Improvements shall be made by the Trustee upon receipt by the Trustee of a properly executed and completed Certification for Payment. Each such Certification for Payment shall include a list of the payees and the payments to be made to such payees as well as a statement that all payments shall be made by check or wire transfer in accordance with the payment instructions set forth in such Certification for Payment or in the invoices submitted therewith and the Trustee may rely on such payment instructions with no duty to investigate or inquire as to the authenticity of or authorization for the invoice or the payment instructions contained therein.

(c) If the City Representative determines in his or her sole discretion that amounts then on deposit in the Improvement Area #2 Bond Improvement Account of the Project Fund are not expected to be expended for purposes of the Improvement Area #2 Bond Improvement Account of the Project Fund due to the abandonment, or constructive abandonment, of one or more of the Improvement Area #2 Improvements such that, in the opinion of the City Representative, it is unlikely that the amounts in the Improvement Area #2 Bond Improvement Account of the Project Fund will ever be expended for the purposes of the Improvement Area #2 Bond Improvement Account of the Project Fund, the City Representative shall file a City Order with the Trustee, and provide a copy of such City Order to the Developer, which identifies the amounts then on deposit in the Improvement Area #2 Bond Improvement Account of the Project Fund that are not expected to be used for purposes of the Improvement Area #2 Bond Improvement Account of the Project Fund. If such City Order is so filed, the amounts on deposit in the Improvement Area #2 Bond Improvement Account of the Project Fund shall be transferred to the Bond Fund or to the Redemption Fund as directed by the City Representative in a City Order filed with the Trustee. Upon such transfers, the Improvement Area #2 Bond Improvement Account of the Project Fund shall be closed.

(d) If the City Representative determines in his or her sole discretion that amounts then on deposit in the Improvement Area #3 Bond Improvement Account of the Project Fund are not expected to be expended for purposes of the Improvement Area #3 Bond Improvement Account of the Project Fund due to the abandonment, or constructive abandonment, of one or more of the Improvement Area #3 Improvements such that, in the opinion of the City Representative, it is unlikely that the amounts in the Improvement Area #3 Bond Improvement Account of the Project Fund will ever be expended for the purposes of the Improvement Area #3 Bond Improvement Account of the Project Fund, the City Representative shall file a City Order

with the Trustee, and provide a copy of such City Order to the Developer, which identifies the amounts then on deposit in the Improvement Area #3 Bond Improvement Account of the Project Fund that are not expected to be used for purposes of the Improvement Area #3 Bond Improvement Account of the Project Fund. If such City Order is so filed, the amounts on deposit in the Improvement Area #3 Bond Improvement Account of the Project Fund shall be transferred to the Bond Fund or to the Redemption Fund as directed by the City Representative in a City Order filed with the Trustee. Upon such transfers, the Improvement Area #3 Bond Improvement Account of the Project Fund shall be closed.

(e) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(f) Upon the filing of a City Order stating that all Improvement Area #2 Improvements have been completed and that all Costs of the Improvement Area #2 Improvements have been paid, or that any Costs of the Improvement Area #2 Improvements are not required to be paid from the Improvement Area #2 Bond Improvement Account of the Project Fund pursuant to a Certification for Payment, the Trustee shall transfer the amount, if any, remaining within the Improvement Area #2 Bond Improvement Account of the Project Fund to the Bond Fund or to the Redemption Fund as directed by the City Representative in a City Order filed with the Trustee; provided, however, that the City shall not file a City Order pursuant to this Section if the Developer has submitted a Certification for Payment to the City requesting payment from the Improvement Area #2 Bond Improvement Account of the Project Fund and the City has not yet completed its review of such Certification for Payment. Upon such transfers, the Improvement Area #2 Bond Improvement Account of the Project Fund shall be closed.

(g) Upon the filing of a City Order stating that all Improvement Area #3 Improvements have been completed and that all Costs of the Improvement Area #3 Improvements have been paid, or that any Costs of the Improvement Area #3 Improvements are not required to be paid from the Improvement Area #3 Bond Improvement Account of the Project Fund pursuant to a Certification for Payment, the Trustee shall transfer the amount, if any, remaining within the Improvement Area #3 Bond Improvement Account of the Project Fund to the Bond Fund or to the Redemption Fund as directed by the City Representative in a City Order filed with the Trustee; provided, however, that the City shall not file a City Order pursuant to this Section if the Developer has submitted a Certification for Payment to the City requesting payment from the Improvement Area #3 Bond Improvement Account of the Project Fund and the City has not yet completed its review of such Certification for Payment. Upon such transfers, the Improvement Area #3 Bond Improvement Account of the Project Fund shall be closed.

(h) Upon a determination by the City Representative that all Bond Issuance Costs have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred, in the same proportionate amounts as the proportionate amounts of Bond proceeds deposited to the Improvement Area #2 Bond Improvement Account and the Improvement Area #3 Bond Improvement Account on the Delivery Date, to the Improvement Area #2 Bond Improvement Account of the Project Fund and used to pay Costs of the Improvement Area #2 Improvements and to the Improvement Area #3 Bond Improvement Account of the Project Fund and used to pay Costs of the Improvement Area #3 Improvements, or, if no Costs of the Improvement Area

#2 Improvements or Costs of the Improvement Area #3 Improvements remain to be funded, to the Principal and Interest Account and used to pay interest on the Bonds, as directed in a City Order filed with the Trustee, and the Costs of Issuance Account shall be closed.

Section 6.6. Redemption Fund.

The Trustee shall cause to be deposited to the Redemption Fund from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7. Reserve Fund.

(a) The City agrees with the Owners of the Bonds to accumulate and, when accumulated, maintain in the Reserve Account an amount equal to not less than the Reserve Account Requirement. Amounts deposited in the Reserve Account shall be used and withdrawn by the Trustee for the purposes set forth in this Indenture. The Trustee will transfer from the Pledged Revenue Fund to the Delinquency and Prepayment Reserve Account on March 15 of each year, commencing March 15, 2023, an amount the City confirms to the Trustee is equal to the Additional Interest until the Delinquency and Prepayment Reserve Requirement has been accumulated in the Delinquency and Prepayment Reserve Account; provided, however, that at any time the amount on deposit in the Delinquency and Prepayment Reserve Account is less than Delinquency and Prepayment Reserve Requirement, the Trustee shall resume depositing the Additional Interest into the Delinquency and Prepayment Reserve Account until the Delinquency and Prepayment Reserve Requirement has accumulated in the Delinquency and Prepayment Reserve Account. In transferring the amounts pursuant to this Section, the Trustee may conclusively rely on a City Order (which shall be based on the Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan) unless and until it receives a City Order directing that a different amount be used. Whenever a transfer is made from the Reserve Account to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds. The Additional Interest shall continue to be collected and deposited pursuant to this Section 6.7 until the Bonds are no longer Outstanding.

(b) Whenever a transfer is made from the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(c) In the event of an extraordinary optional redemption of Bonds from the proceeds of a Prepayment pursuant to Section 4.4, the Trustee, pursuant to prior written directions from the City, shall transfer from the Reserve Account of the Reserve Fund to the Redemption Fund the amount specified in such directions, which shall be an amount equal to the principal amount of Bonds to be redeemed multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by

the principal amount of Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Delinquency and Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(d) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the value of cash and Value of Investment Securities on deposit in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of interest on the Bonds on the next Interest Payment Date in accordance with Section 6.4, unless within thirty days of such notice to the City Representative, the Trustee receives a City Order instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8, (ii) to the Improvement Area #2 Bond Improvement Account of the Project Fund to pay Costs of Improvement Area #2 Improvements if such application and the expenditure of funds is expected to occur within three years of the Delivery Date, (iii) to the Improvement Area #3 Bond Improvement Account of the Project Fund to pay Costs of Improvement Area #3 Improvements if such application and the expenditure of funds is expected to occur within three years of the Delivery Date, or (v) to the Redemption Fund to be applied to the redemption of Bonds.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amounts on deposit in the Delinquency and Prepayment Reserve Account exceed the Delinquency and Prepayment Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess, and such excess and any amount of Additional Interest held by the Trustee in excess of the amount necessary to fully fund the Delinquency and Prepayment Reserve Requirement shall be transferred, at the direction of the City pursuant to a City Order, to the Administrative Fund for the payment of Annual Collection Costs or to the Redemption Fund to be used to redeem Bonds pursuant to Section 4.4. In the event that the Trustee does not receive a City Order directing the transfer of such excess amounts to the Administrative Fund within 45 days of providing notice to the City of such excess amounts, the Trustee shall transfer such excess amounts to the Redemption Fund to redeem Bonds pursuant to Section 4.4 hereof and provide the City with written notification of the transfer. The Trustee shall incur no liability for the accuracy or validity of the transfer so long as the Trustee made such transfer in full compliance with this Section.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first from the Delinquency and Prepayment Reserve Account of the Reserve Fund, and second from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency. In such event, notwithstanding anything to the contrary in Section 6.7(a) above, the Additional Interest shall be used to replenish first, the Reserve Account of the Reserve Fund and second, the Delinquency and Prepayment Reserve Account of the Reserve Fund.

(h) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Delinquency and Prepayment Reserve Account shall be transferred to the Principal and Interest Account and applied to the payment of the principal of the Bonds.

(i) If, after a Reserve Account withdrawal, the amount on deposit in the Reserve Account is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account the amount of such deficiency, but only to the extent that such amount is not required for the timely payment of principal, interest, or Sinking Fund Installments.

(j) If the amount held in the Reserve Fund together with the amount held in the Pledged Revenue Fund, the Bond Fund and the Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds on the next date the Bonds may be optionally redeemed by the City at a redemption price of par, together with the unpaid interest accrued on such Bonds as of such date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds on such date.

Section 6.8. Rebate Fund: Rebatable Arbitrage.

(a) The Rebate Fund is to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code. The Rebate Fund shall not be part of the Trust Estate and shall not be security for the Bonds.

(b) In order to assure that Rebatable Arbitrage is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the City's federal tax certificate for the Bonds, as further set forth in written directions from the City to the Trustee. The Trustee may conclusively rely on such written instructions as set forth in this Section and shall not be responsible for any loss or liability resulting from the investment of funds under this Section, but only so long as the Trustee follows such written instructions in all respects.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and shall not be liable or responsible if it follows the written instructions of the City and shall not be required to take any action under this Section in the absence of instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the amount of the Rebatable Arbitrage, the City may direct the Trustee, pursuant to a City Order, to transfer the amount in excess of the Rebatable Arbitrage to the Bond Fund.

Section 6.9. Administrative Fund.

(a) Periodically upon receipt thereof, the City shall deposit or cause to be deposited to the Administrative Fund the portion of the Assessments and Annual Installments allocated to the

payment of Annual Collection Costs and Delinquent Collection Costs, as set forth in the Service and Assessment Plan, and other funds directed by this Indenture to be deposited therein.

(b) Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Order solely for the purposes set forth in the Service and Assessment Plan, including payment of Annual Collection Costs and Delinquent Collection Costs. The Administrative Fund shall not be part of the Trust Estate and shall not be security for the Bonds.

Section 6.10. Investment of Funds.

(a) Money in any Fund or Account, other than the Reserve Account, shall be invested by the Trustee in Investment Securities as directed by the City pursuant to a City Order filed with the Trustee; provided that all such deposits and investments shall be made in such manner that the money required to be expended from any Fund or Account will be available at the proper time or times. Money in the Reserve Account shall be invested in such Investment Securities as directed by the City pursuant to a City Order filed with the Trustee, maturing on the earlier of a date or dates not later than (1) the date of maturity of the last Bond then Outstanding or (2) five (5) years after the date of the investment. Each such City Order shall be a certification, upon which the Trustee may conclusively rely without investigation or inquiry, that the investment directed therein constitutes an Investment Security and that such investments meet the maturity requirements set forth in the preceding sentence. Such investments shall be valued each year in terms of the Value of Investment Securities as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in the Funds and Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, such investments shall be promptly sold to prevent any default under this Indenture. To ensure that cash on hand is invested, if the City does not give the Trustee written or timely instructions with respect to investments of funds, the Trustee is hereby directed to invest and re-invest cash balances in the Wilmington U.S. Government Money Market Fund – Institutional Share Class, CUSIP No. 97181C605, but only so long as such fund is an authorized investment and permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, and only so long as such investment constitutes Investment Securities and the money required to be expended from any Fund or Account will be available at the proper time or times.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, and the earnings or loss become part of the applicable Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall not incur any liability for losses (including depreciation) arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the legality or suitability of any investments. The Parties acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish to the City, upon the City's written request, periodic cash transaction statements which include detail for all investment transactions effected by the Trustee or brokers selected by the City. Upon the City's election, such statements will be delivered via the Trustee's online service and upon electing such service, paper statements will be provided only upon request. The City waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. The City further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker.

(f) In the event it is found, after an annual calculation has been done pursuant to Section 6.8 hereof, that the City owes Rebatale Arbitrage to the United States Government, the City shall direct the Trustee, pursuant to a City Order, to transfer to the Rebate Fund the investment earnings on funds on deposit in the Pledged Funds in an amount equal to the Rebatale Arbitrage owed by the City. The City Order shall specify the amount to be transferred and the Pledged Fund or Pledged Funds from which the investment earnings shall be transferred.

Section 6.11. Security of Funds.

All Funds heretofore created or reaffirmed, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that, in the Assessment Ordinance, it has levied the Assessments against the respective Assessed Property from which the Assessment Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding, the City covenants, agrees and warrants that it will take and pursue all reasonable actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement or exemption in the Assessments.

(b) To the extent permitted by law, notice of the Annual Installments shall be sent by, or on behalf of the City, to the affected property owners on the same statement or such other mechanism that is used by the City, so that such Annual Installments are collected simultaneously with ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City.

(c) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessments or the corresponding particular Assessed Property.

(d) The City shall not be required under any circumstances to expend any funds for Delinquent Collection Costs or Annual Collection Costs in connection with its covenants and agreements under this Section or otherwise other than funds on deposit in the Administrative Fund.

Section 7.3. Against Encumbrances.

(a) Other than Refunding Bonds issued to refund all or a portion of the Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, the City shall not issue any bonds, notes or other evidences of indebtedness, other than the Bonds and Refunding Bonds issued to refund all or a portion of the Bonds, secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under this Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any Bonds are Outstanding, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and holder or holders of any Bonds or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the City's regular business hours and on a mutually agreeable date not later than twenty days after the City receives such request.

Section 7.5. Covenants Regarding Tax Exemption of Interest on Bonds.

(a) The City covenants to take any action necessary to assure, or refrain from any action that would adversely affect, the treatment of the Bonds as an obligation described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Article or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" that is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount that is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action that would otherwise result in the Bonds being treated as a "private activity bond" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) that produces a materially higher yield over the term of the Bonds, other than investment property acquired with –

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of an advance refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the Bonds are issued, and in the case of a current refunding bond, for a period of 90 days or less,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period (beginning on the Delivery Date) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) In order to facilitate compliance with the above covenant (a)(8), the Rebate Fund is established by the City pursuant to Section 6.1 for the sole benefit of the United States of America, and such Rebate Fund shall not be subject to the claim of any other person, including

without limitation the Registered Owner. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) The City understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto (the "*Treasury Regulations*"). In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to the Bonds, the City will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements applicable to the Bonds, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the City hereby authorizes and directs the Mayor to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the City, that may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) The City covenants to account for the expenditure of sale proceeds and investment earnings to be used for Costs on its books and records in accordance with the requirements of the Code. The City recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Improvement Area #2 Improvements and the Improvement Area #3 Improvements are completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the City recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the Delivery Date, or (2) the date the Bonds are retired. The City agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) The City covenants that the projects funded with the proceeds of the Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the City shall not be obligated to comply with

this covenant if it obtains a legal opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

ARTICLE VIII

LIABILITY OF CITY

Section 8.1. Liability of City.

(a) Neither the full faith and credit nor the general taxing power of the City is pledged to the payment of the Bonds, and, except for the Trust Estate, no City taxes, fee or revenues from any source are pledged to the payment of, or available to pay any portion of, the Bonds or any other obligations relating to the District. The City shall never be liable for any obligations relating to the Bonds or other obligations relating to the District, other than as specifically provided for in this Indenture.

(b) The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or event of default thereunder.

(c) In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

(d) No provision of this Indenture, the Bonds, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (collectively, the "*Bond Documents*"), shall require the City to expend or risk its own general funds or other funds or otherwise incur any financial liability (other than with respect to the Trust Estate) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

(e) Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Document or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents

and the PID Act. Any such claim shall be payable only from Pledged Revenues or the Assessment Revenues collected for payment of Annual Collection Costs. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

(f) The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable.

(g) In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Acceptance of Trust; Trustee as Registrar and Paying Agent.

(a) The Trustee accepts and agrees to execute the respective trusts imposed upon it by this Indenture, but only upon the terms and conditions and subject to the provisions of this Indenture to all of which the parties hereto and the respective Owners of the Bonds agree.

(b) The Trustee is hereby designated and agrees to act as Paying Agent/Registrar for and with respect to the Bonds.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction by the Owners against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct; provided, however, that in no event shall the Trustee request or require indemnification as a condition to making any deposits, payments or transfers (provided such payment or transfer is prior to an Event of Default) when required hereunder, or to deliver any notice when required hereunder. During the occurrence of an Event of Default, the Trustee shall be entitled to indemnification as a condition to making any deposits, payments or transfers when required hereunder, or to delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or exercise any such rights and powers as the Trustee, and in such case the Trustee may make transfers from the Pledged Revenue Fund and Administrative Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

(a) The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for and undertakes no duty to verify the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; (iv) any calculation of arbitrage or rebate under the Code; (v) any loss suffered in connection with any investment of funds (including depreciation) in accordance with this Indenture; or (vi) to undertake any other action unless specifically authorized pursuant to a written direction by the City or pursuant to this Indenture.

(b) The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture. The Trustee will, prior to any Event of Default and after curing of any Event of Default, perform such duties and only such duties as are specifically set forth herein. The Trustee will, during the existence of an Event of Default, exercise such rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs. No implied covenants or obligations shall be read into this Indenture against the Trustee. The Trustee is not responsible for the terms or any agreement to which it is not a party and is not responsible for determining compliance with the terms of any document to which it is not a party. The Trustee is not responsible for, nor does it

have any duty to monitor the performance or any action of, any other person or entity. In any event, the Trustee shall not be liable for any amount in excess of the value of the Trust Estate.

(c) The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for such losses, damages or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Trustee's own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special or consequential loss or damages in connection with or arising from this Indenture for the existence, furnishing or use of the Improvement Area #2 Improvements or Improvement Area #3 Improvements. The Trustee shall be entitled to request and receive, and shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with, the written direction of the Owners of not less than 50% in principal amount of the Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) The Trustee shall not be liable for any error of judgment made in good faith by any one of its officers, employees or agents, unless it shall be established that the Trustee was negligent in ascertaining the pertinent facts.

(e) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, and the discharge of this Indenture.

(f) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through receivers, agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any receiver, agent or attorney appointed with due care and in good faith by it hereunder, and the Trustee shall be entitled to rely and act upon the opinion or advice of counsel selected by the Trustee with due care, who may be counsel to the City, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys, and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of counsel.

(g) The Trustee shall not be responsible for any recital herein (except with respect to the authentication certificate of the Trustee endorsed on the Bonds) or for the recording, filing, or refiling of this Indenture in connection therewith, or for the validity of the execution by the City of this Indenture or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency or security of the Bonds. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with this Indenture.

(h) The Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the validity or sufficiency of this Indenture or of the Bonds. The Trustee shall not be accountable for the use or application of any Bonds or the proceeds thereof or of any money paid to or upon the order of the City pursuant to any provision of this Indenture.

(i) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default hereunder, unless the Trustee shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by the Owners of at least 50% in aggregate principal amount of Bonds then Outstanding. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no default or Event of Default.

(j) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by any act or event that (i) materially and adversely affects the Trustee's ability to perform the relevant obligations under this Indenture or delays the Trustee's ability to do so, (ii) is beyond the reasonable control of the Trustee, (iii) is not due to the Trustee's fault or negligence and (iv) could not be avoided by the exercise of commercially reasonable efforts, which acts or events may include, without limitation, any act of any governmental authority that was not voluntarily induced or promoted by the Trustee, or brought about by the breach of its obligations under this Indenture or any applicable law; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes that are not due to the breach of any labor agreement by the Trustee; acts of civil or military authority; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility it being understood that Trustee shall use all commercially reasonable efforts which are consistent with accepted practices in the industry to perform hereunder and/or to resume performance under the circumstances, and in the event of any such failure or delay the Trustee shall give immediate notice to the City of such condition or occurrence, which may be given in the most expeditious manner available, including telephonically or electronically, subsequently confirmed in writing.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

(a) The Trustee may rely upon any order, judgment, notice, request, consent, waiver, certificate, statement, affidavit, requisition, direction, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the

written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant that the Trustee shall in good faith reasonably believe to be qualified in relation to the subject matter or is selected by the City in accordance with this Indenture, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. Subject to Section 9.1 and 9.3, the Trustee may consult with counsel selected by the Trustee with due care, who may or may not be Bond Counsel, and any advice from such counsel with respect to compliance with the provisions of this Indenture shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder, reasonably and in good faith, in accordance with such advice.

(b) Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative. The Trustee shall be entitled to conclusively rely upon the foregoing as sufficient evidence of the facts set forth herein. The execution of any City Order shall constitute, unto the Trustee, an irrevocable determination that all conditions precedent thereto have occurred.

(c) The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13.

(d) In the event that any portion of the Trust Estate shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting the Trust Estate, the Trustee is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel, selected by the Trustee with due care, is binding upon it, whether with or without jurisdiction. In the event that the Trustee obeys or complies with any such writ, order or decree it shall not be liable to any of the parties or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

Section 9.6. Compensation.

Subject to the restrictions in Section 15.10, unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Administrative Fund, the previously determined and agreed upon, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar and extraordinary services rendered, together with all its

reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, all pursuant to a City Order and subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by such City Order, and the Trustee shall have a lien therefor on any and all funds at any time held by it in the Administrative Fund prior to any Bonds Outstanding. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if the Trustee has reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee shall make such payment from lawfully available funds (other than funds designated by the City for arbitrage rebate purposes) in its possession under the provisions of this Indenture and shall be entitled to a preference therefor over any Bonds Outstanding hereunder. The right of the Trustee to fees, expenses, and indemnification shall survive the release, discharge, and satisfaction of the Indenture.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of holders of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the holders of a majority of the Bonds. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be liable for any permissive actions taken except as a consequence of its own negligence or misconduct.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 60 days' notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor. Notwithstanding the foregoing, if, after 60 days following receipt of the notice, the City has not appointed a successor Trustee, the Trustee may apply to a court of competent jurisdiction to appoint a successor Trustee, at no expense to the City, and such resignation shall take effect upon the court's appointment of a successor Trustee.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time, on 30 days' advance written notice to the Trustee, by (i) the Owners of at least 50% in aggregate Outstanding principal amount of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such

Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) so long as the City is not in default under this Indenture, the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% in aggregate Outstanding principal amount of the Bonds.

Section 9.10. Successor Trustee.

(a) If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

(b) If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least 50% of the aggregate Outstanding principal amount of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

(c) Until such successor Trustee shall have been appointed by the Owners of the Bonds, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners.

No such modification or amendment shall (i) extend the maturity of any Bond or reduce principal of or the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Trust Estate superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except for the issuance of Refunding Bonds or as otherwise permitted by Applicable Laws or this Indenture), or reduce the percentage of Bonds required for the amendment hereof. Any such amendment shall not modify any of the rights or obligations of the Trustee without its written consent.

(b) This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law, and only for any one or more of the following purposes:

(a) The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, if such consent is required pursuant to Section 10.1, shall be mailed by first class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

(b) Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is

given, which proof shall be such as is permitted by Section 11.6. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

(c) After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 10.4. Procedure for Amendment Not Requiring Consent of Owners.

(a) The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1, to take effect when and as provided in this Section. The City shall direct the Trustee to provide a copy of such Supplemental Indenture, together with a notice stating that the Supplemental Indenture does not require Owner consent, mailed by first class mail to each Owner of Bonds, but failure to mail copies of such Supplemental Indenture shall not affect the validity of the Supplemental Indenture. The Trustee shall retain the proof of its mailing of such notice. A record, consisting of the papers required by this Section 10.4, shall be proof of the matters therein stated until the contrary is proved.

(b) The Supplemental Indenture shall become effective upon the execution and delivery of such Supplemental Indenture by the Trustee and the City, and the Supplemental Indenture shall be deemed conclusively binding upon the City, the Trustee and the Owners of all Bonds as of the date of such execution and delivery.

Section 10.5. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder

Section 10.6. Endorsement or Replacement of Bonds Issued After Amendments.

The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.7. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.8. Waiver of Default.

With the written consent of the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, the Owners may waive compliance by the City with certain past defaults under this Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

Section 10.9. Execution of Supplemental Indenture.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

ARTICLE XI

DEFAULT AND REMEDIES

Section 11.1. Events of Default.

Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," to wit:

(i) The failure of the City to deposit the Pledged Revenues to the Pledged Revenue Fund;

(ii) The failure of the City to enforce the collection of the Assessments including the prosecution of foreclosure proceedings in accordance with Section 7.2;

(iii) Default in the performance or observance of any covenant, agreement or obligation of the City under this Indenture, other than a default under (iv) below, and the continuation thereof for a period of ninety (90) days after written notice specifying such default and requiring same to be remedied shall have been given to the City by the Trustee, which may give such notice in its discretion and which shall give such notice at the written request of the Owners of not less than 50% in aggregate Outstanding principal amount of the Bonds then Outstanding; provided, however, if the default stated in the notice is capable of cure but cannot reasonably be cured within the applicable period, the City shall be entitled to a further extension of time reasonably necessary to remedy such default so long as corrective action is instituted by the City within the applicable period and is diligently pursued until such failure is corrected, but in no event for a period of time of more than one hundred eighty (180) days after such notice; and

(iv) The failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable and such failure is not remedied within thirty (30) days thereafter.

Section 11.2. Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any of the Events of Default described in Section 11.1, then and in every such case the Trustee may, and upon the written request of the Owners of not less than 50% in aggregate Outstanding principal amount of the Bonds then Outstanding hereunder shall, proceed to protect and enforce the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted.

(b) PURSUANT TO SECTION 11.7, THE PRINCIPAL OF THE BONDS SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due under this Article, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Order, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Order, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of and whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

(a) No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing as provided in Section 11.1, or of which by such Section it is deemed to have notice, (ii) such default has become an Event of Default and the Owners of 50% of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee written evidence of indemnity as provided in Section 9.2, (iv) the Trustee has for 60 days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no written direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Owners of a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) notice of such action, suit, or proceeding is given in writing to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner provided herein, and that all proceedings at law or in equity shall

be instituted and maintained in the manner provided herein and for the equal benefit of the Owners of all Bonds then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of this Indenture and to any action or cause of action for the enforcement of this Indenture or for any other remedy hereunder.

(b) Subject to Article VIII, nothing in this Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued hereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed herein and in the Bonds.

(c) In case the Trustee or any Owners shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 11.4. Application of Revenues and Other Moneys After Default.

(a) All moneys, securities, funds and Pledged Revenues and other assets of the Trust Estate and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel fees, costs and expenses), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out this Indenture, during the continuance of an Event of Default, notwithstanding Section 11.2, be applied by the Trustee, on behalf of the City, to the payment of interest and principal or Redemption Price then due on Bonds, as follows:

SECOND: To the payment to the Owners entitled thereto of the unpaid principal of Outstanding Bonds, or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the Owners entitled thereto, without any discrimination or preference.

The Trustee shall make payments to the Owners pursuant to this Section 11.4 within 30 days of receipt of such good and available funds, and the record date shall be the date the Trustee receives such good and available funds.

(b) In the event funds are not adequate to cure any of the Events of Default described in Section 11.1, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of this Indenture.

(c) The restoration of the City to its prior position after any and all defaults have been cured, as provided in Section 11.3, shall not extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 11.5. Effect of Waiver.

No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 11.6. Evidence of Ownership of Bonds.

(a) Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, or the holding by any Person of the Bonds shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner:

(i) The fact and date of the execution of such instruments by any Owner of Bonds or the duly appointed attorney authorized to act on behalf of such Owner may be provided by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate, or affidavit shall also constitute sufficient proof of his authority.

(ii) The ownership of Bonds and the amount, numbers and other identification and date of holding the same shall be proved by the Register.

(b) Except as otherwise provided in this Indenture with respect to revocation of a consent, any request or consent by an Owner of any Bond shall bind all future Owners of the same Bond in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

Section 11.7. No Acceleration.

In the event of the occurrence of an Event of Default under Section 11.1, the right of acceleration of any Stated Maturity is not granted as a remedy hereunder and the right of acceleration under this Indenture is expressly denied.

Section 11.8. Mailing of Notice.

Any provision in this Article for the mailing of a notice or other document to Owners shall be fully complied with if it is mailed, first class postage prepaid, only to each Owner at the address appearing upon the Register.

Section 11.9. Exclusion of Bonds.

Bonds owned or held by or for the account of the City will not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Indenture, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Indenture.

ARTICLE XII

In addition, the City reserves the right to issue bonds or other obligations secured by and payable from the Trust Estate, so long as such pledge is subordinate to the pledge of the Trust Estate securing payment of the Bonds.

(b) Other than Refunding Bonds issued to refund all or a portion of the Bonds, the City will not create or voluntarily permit to be created any debt, lien or charge on the Trust Estate, and will not do or omit to do or suffer to be done or omit to be done any matter or things whatsoever whereby the lien of this Indenture or the priority hereof might or could be lost or impaired.

(c) Notwithstanding any contrary provision of this Indenture, the City shall not issue additional bonds, notes or other obligations under this Indenture, secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under this Indenture, other than Refunding Bonds. The City reserves the right to issue Refunding Bonds, the proceeds of which would be utilized to refund all or any portion of the Outstanding Bonds or Outstanding Refunding Bonds and to pay all costs incident to the Refunding Bonds, as authorized by the laws of the State.

ARTICLE XIV

**PAYMENT AND CANCELLATION OF THE BONDS AND SATISFACTION OF THE
INDENTURE**

Section 14.1. Trust Irrevocable.

The trust created by the terms and provisions of this Indenture is irrevocable until the Bonds secured hereby are fully paid or provision is made for their payment as provided in this Article.

Section 14.2. Satisfaction of Indenture.

If the City shall pay or cause to be paid, or there shall otherwise be paid to the Owners, principal of and interest on all of the Bonds, at the times and in the manner stipulated in this Indenture, and all amounts due and owing with respect to the Bonds have been paid or provided for, then the pledge of the Trust Estate and all covenants, agreements, and other obligations of the City to the Owners of such Bonds, shall thereupon cease, terminate, and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the City copies of all such documents as it may have evidencing that principal of and interest on all of the Bonds has been paid so that the City may determine if this Indenture is satisfied; if so, the Trustee shall pay over or deliver all moneys held by it in the Funds and Accounts held hereunder to the Person entitled to receive such amounts, or, if no Person is entitled to receive such amounts, then to the City.

Section 14.3. Bonds Deemed Paid.

(a) Any Outstanding Bonds shall, prior to the Stated Maturity or redemption date thereof, be deemed to have been paid and no longer Outstanding within the meaning of this Indenture (a "*Defeased Bond*"), and particularly this Article XIV, when payment of the principal of, premium, if any, on such Defeased Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity, redemption, or otherwise), either (1) shall have been made in accordance with the terms thereof, or (2) shall have been provided by irrevocably depositing with the Trustee, in trust, and irrevocably set aside exclusively for such payment, (A) money sufficient to make such payment or (B) Defeasance Securities, certified by an

Neither Defeasance Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds and shall not be part of the Trust Estate. Any cash received from such principal of and interest on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall be reinvested in Defeasance Securities as directed by the City maturing at times and in amounts sufficient to pay when due the principal of and interest on the Bonds on and prior to such redemption date or maturity date thereof, as the case may be. Any payment for Defeasance Securities purchased for the purpose of reinvesting cash as aforesaid shall be made only against delivery of such Defeasance Securities.

(b) Any determination not to redeem Defeased Bond that is made in conjunction with the payment arrangements specified in Sections 14.3(a)(1) or 14.3(a)(2) shall not be irrevocable, provided that: (1) in the proceedings providing for such defeasance, the City expressly reserves the right to call the Defeased Bond for redemption; (2) the City gives notice of the reservation of that right to the Owners of the Defeased Bond immediately following the defeasance; (3) the City directs that notice of the reservation be included in any defeasance or redemption notices that it authorizes; and (4) at or prior to the time of the redemption, the City satisfies the conditions of clause (a) of this Section 14.3 with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond, after taking the redemption into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

November 15, 2022

City of Lavon, Texas
120 School Road
Lavon, Texas 75166

Ladies and Gentlemen:

The undersigned, FMSbonds, Inc. (the “Underwriter”), offers to enter into this Bond Purchase Agreement (this “Agreement”) with the City of Lavon, Texas (the “City”), which will be binding upon the City and the Underwriter upon the acceptance of this Agreement by the City. This offer is made subject to its acceptance by the City by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indenture (defined herein) between the City and Wilmington Trust, National Association, as trustee (the “Trustee”), authorizing the issuance of the Bonds (defined herein), and in the Limited Offering Memorandum (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties, and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of the \$[15,096,000] aggregate principal amount of the “City of Lavon, Texas, Special Assessment Revenue Bonds, Series 2022 (LakePointe Public Improvement District Improvement Areas #2-3 Project)” (the “Bonds”), at a purchase price of \$_____ (representing the aggregate principal amount of the Bonds, less an original issue discount of \$_____ and less an Underwriter’s discount of \$_____).

Inasmuch as this purchase and sale represents a negotiated transaction, the City understands, and hereby confirms, that the Underwriter is not acting as a municipal advisor or fiduciary of the City (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act)), but rather

is acting solely in its capacity as Underwriter for its own account. The City acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's length commercial transaction between the City and the Underwriter, (ii) in connection therewith and with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent, municipal advisor, financial advisor, or fiduciary of the City, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the City on other matters) and the Underwriter has no obligation to the City with respect to the offering described herein except the obligations expressly set forth in this Agreement, (iv) the City has consulted its own legal, financial, and other advisors to the extent it has deemed appropriate, (v) the Underwriter has financial and other interests that differ from those of the City, and (vi) the Underwriter has provided to the City prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board ("MSRB"), which have been received by the City. The City further acknowledges and agrees that following the issuance and delivery of the Bonds, the Underwriter has indicated that it may have periodic discussions with the City regarding the expenditure of Bond proceeds and the construction of the Improvement Area #2 Improvements and the Improvement Area #3 Improvements (as defined in the Service and Assessment Plan) financed with the Bonds and, in connection with such discussions, the Underwriter shall be acting solely as a principal and will not be acting as the agent or fiduciary of, and will not be assuming an advisory or fiduciary responsibility in favor of, the City.

The Bonds shall be dated their date of issuance and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Schedule I hereto. Payment for and delivery of the Bonds, and the other actions described herein, shall take place on December 7, 2022 (or such other date as may be agreed to by the City and the Underwriter) (the "Closing Date").

2. Authorization Instruments and Law. The Bonds were authorized by an Ordinance enacted by the City Council of the City (the "City Council") on November 15, 2022 (the "Bond Ordinance"), and shall be issued pursuant to the provisions of Subchapter A of Chapter 372, Texas Local Government Code, as amended (the "Act"), and the Indenture of Trust, dated as of December 1, 2022, between the City and the Trustee, authorizing the issuance of the Bonds (the "Indenture"). The Bonds shall be substantially in the form described in, and shall be secured under the provisions of, the Indenture.

The Bonds and interest thereon shall be secured by the "Trust Estate" consisting primarily of revenue from proceeds of special assessments (the "Assessments") levied on the assessable parcels within Improvement Area #2 and Improvement Area #3 of the LakePointe Public Improvement District (the "District"). The District was established by Resolution No. 2019-03-04 enacted by the City Council on March 19, 2019 (as amended by Resolution No. 2019-07-03 enacted by the City Council on July 16, 2019) (the "Creation Resolution"), in accordance with the Act. A Service and Assessment Plan (the "Service and Assessment Plan") which sets forth the costs of the Improvement Area #2 Improvements and the Improvement Area #3 Improvements and the method of payment of the Assessments was approved pursuant to separate ordinances

adopted by the City Council on November 16, 2021, with respect to Improvement Area #2 (the "Improvement Area #2 Assessment Ordinance"), and September 6, 2022, with respect to Improvement Area #3 (the "Improvement Area #3 Assessment Ordinance" and, together with the Improvement Area #2 Assessment Ordinance, the "Assessment Ordinances"). The Creation Resolution, the Service and Assessment Plan, the Assessment Ordinances, the Indenture, and the Bond Ordinance are collectively referred to herein as the "Authorizing Documents."

The Bonds shall be as described in Schedule I attached hereto, the Indenture, and the Limited Offering Memorandum. The proceeds of the Bonds shall be used for the purposes described within "PLAN OF FINANCE – The Bonds" of the final Limited Offering Memorandum (defined below).

3. Limited Public Offering. The Underwriter agrees to make a bona fide limited public offering of all of the Bonds in accordance with Section 11 hereof. On or before the fifth (5th) business day prior to Closing, the Underwriter shall execute and deliver to Bond Counsel the Issue Price Certificate, in substantially the form attached hereto as Appendix B.

4. Limited Offering Memorandum.

(a) Delivery of Limited Offering Memorandum. The City previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Limited Offering Memorandum for the Bonds dated November 4, 2022 (the "Preliminary Limited Offering Memorandum"), in a "designated electronic format," as defined in MSRB Rule G-32 ("Rule G-32"). The City will prepare, or cause to be prepared, a final Limited Offering Memorandum relating to the Bonds (the "Limited Offering Memorandum") which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission's Rule 15c2-12, as amended ("Rule 15c2-12"), (iii) in a "designated electronic format," and (iv) substantially in the form of the most recent version of the Preliminary Limited Offering Memorandum provided to the Underwriter before the execution hereof. The Limited Offering Memorandum, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds are collectively referred to herein as the "Limited Offering Memorandum." Until the Limited Offering Memorandum has been prepared and is available for distribution, the City shall provide to the Underwriter, upon request, sufficient quantities (which may be in electronic format) of the Preliminary Limited Offering Memorandum as the Underwriter reasonably deems necessary to satisfy the obligation of the Underwriter under Rule 15c2-12 with respect to distribution to each potential customer.

(b) Preliminary Limited Offering Memorandum Deemed Final. The Preliminary Limited Offering Memorandum has been prepared for use by the Underwriter in connection with the offering, sale, and distribution of the Bonds. The City hereby represents and warrants that the Preliminary Limited Offering Memorandum has been deemed final by the City as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12.

(c) Use of Limited Offering Memorandum in Offering and Sale. The City hereby authorizes the Limited Offering Memorandum and the information therein contained to be used by the Underwriter in connection with the offering and the sale of the Bonds. The City consents to the use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with the offering of the Bonds. The City shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the City's acceptance of this Agreement (but, in any event, not later than the earlier of the Closing Date or seven (7) business days after the City's acceptance of this Agreement) copies of the Limited Offering Memorandum which is complete as of the date of its delivery to the Underwriter. The City shall provide the Limited Offering Memorandum, or cause the Limited Offering Memorandum to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(d) Updating of Limited Offering Memorandum. If, after the date of this Agreement up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than the 25th day after the "end of the underwriting period" for the Bonds), the City becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the City will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the City will forthwith prepare and furnish, at no expense to the Underwriter (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Limited Offering Memorandum so that the statements therein as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading or so that the Limited Offering Memorandum will comply with law; provided, however, that for all purposes of this Agreement and for any certificate delivered by the City in accordance herewith, (i) the City makes no representations with respect to the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York ("DTC"), or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions "PLAN OF FINANCE – Development Plan," "BOOK-ENTRY ONLY

The City shall provide any such amendment or supplement or cause any such amendment or supplement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32, and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(e) Filing with MSRB. The Underwriter hereby agrees to timely file the Limited Offering Memorandum with the MSRB through its Electronic Municipal Market Access (“EMMA”) system within one (1) business day after receipt but no later than the Closing Date. Unless otherwise notified in writing by the Underwriter, the City can assume that the “end of the underwriting period” for purposes of Rule 15c2-12 is the Closing Date.

(f) Limited Offering. The Underwriter hereby represents, warrants, and covenants that the Bonds were initially sold pursuant to a limited offering. The Bonds were sold to not more than thirty-five (35) persons that qualify as “Accredited Investors” (as defined in Rule 501 of Regulation D under the Securities Act (as defined herein)) or “Qualified Institutional Buyers” (within the meaning of Rule 144A under the Securities Act).

As of the time of acceptance hereof, and to the best of its knowledge, the City is not, and as of the Closing Date the City will not be, in material breach of or in default in any material respect under any applicable constitutional provision, law, or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement, or other instrument related to the Bonds and to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time, or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default, or event could have a material adverse effect on the City's ability to perform its obligations under the Bonds or the City Documents; and, as of such times, the authorization, execution, and delivery of the Bonds and the City Documents and compliance by the City with obligations on its part to be performed in each of such agreements or instruments does not and will not conflict with or constitute a material breach of or default under any applicable constitutional provision, law, or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement, or other instrument to which the City (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties are bound, nor will any such authorization, execution, delivery, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties securing the Bonds or under the terms of any such law, regulation, or instrument, except as may be permitted by the City Documents.

(e) No Litigation. At the time of acceptance hereof there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court,

government agency, public board, or body (collectively and individually, an “Action”) pending against the City with respect to which the City has been served with process, nor to the knowledge of the City is any Action threatened against the City, in which any such Action (i) in any way questions the existence of the City or the rights of the members of the City Council to hold their respective positions, (ii) in any way questions the formation or existence of the District, (iii) affects, contests, or seeks to prohibit, restrain, or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City described therein, or contests the exclusion of the interest on the Bonds from federal income taxation, or (iv) which may result in any material adverse change in the financial condition of the City; and, as of the time of acceptance hereof, to the City’s knowledge, there is no basis for any action, suit, proceeding, inquiry, or investigation of the nature described in clauses (i) through (iv) of this sentence.

(f) Bonds Issued Pursuant to Indenture. The City represents that the Bonds, when issued, executed, and delivered in accordance with the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the City subject to the terms of the Indenture, entitled to the benefits of the Indenture and the security of the pledge of the proceeds of the levy of the Assessments received by the City, all to the extent provided for in the Indenture. The Indenture creates a valid pledge of the monies in certain funds and accounts established pursuant to the Indenture to the extent provided for in the Indenture, including the investments thereof, subject in all cases to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein.

(h) Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency, or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to, or the absence of which would adversely affect the due performance by the City of, its obligations in connection with the City Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, and the approvals, consents, and orders as may be required under Blue Sky or securities laws of any jurisdiction.

(i) Public Debt. Prior to the Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Assessments which secure the Bonds without the prior approval of the Underwriter.

(j) Preliminary Limited Offering Memorandum. The information contained in the Preliminary Limited Offering Memorandum is true and correct in all material respects, and such information does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to the Non-City Disclosures.

(k) Limited Offering Memorandum. At the time of the City's acceptance hereof and (unless the Limited Offering Memorandum is amended or supplemented pursuant to paragraph (d) of Section 4 of this Agreement) at all times subsequent thereto during the period up to and including the 25th day subsequent to the "end of the underwriting period," the information contained in the Limited Offering Memorandum does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to the Non-City Disclosures; and further provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(l) Supplements or Amendments to Limited Offering Memorandum. If the Limited Offering Memorandum is supplemented or amended pursuant to paragraph (d) of Section 4 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the 25th day subsequent to the "end of the underwriting period," the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to the Non-City Disclosures; and further provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(m) Compliance with Rule 15c2-12. During the past five (5) years, the City has complied in all material respects with its previous continuing disclosure undertakings made

by it in accordance with Rule 15c2-12, except as described in the Limited Offering Memorandum.

(n) Use of Bond Proceeds. The City will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Indenture and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(o) Blue Sky and Securities Laws and Regulations. The City will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request, at no expense to the City, (i) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate, and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the City will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(p) Certificates of the City. Any certificate signed by any official of the City authorized to do so in connection with the transactions described in this Agreement shall be deemed a representation and warranty by the City to the Underwriter as to the statements made therein and can be relied upon by the Underwriter as to the statements made therein.

(q) Intentional Actions Regarding Representations and Warranties. The City covenants that between the date hereof and the Closing it will not intentionally take actions which will cause the representations and warranties made in this Section to be untrue as of the Closing.

(r) Financial Advisor. The City has engaged Hilltop Securities Inc. as its financial advisor in connection with its offering and issuance of the Bonds.

By delivering the Limited Offering Memorandum to the Underwriter, the City shall be deemed to have reaffirmed, with respect to the Limited Offering Memorandum, the representations, warranties, and covenants set forth above.

(v) there shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the City, except as disclosed in or contemplated by the Limited Offering Memorandum; or

(2) the New York Stock Exchange or other national securities exchange or any governmental authority shall impose, as to the Bonds or as to obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter; or

(5) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and shall be in force; or

(6) a material disruption in securities settlement, payment, or clearance services shall have occurred; or

(7) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made to the effect that the issuance, offering, or sale of the Bonds, including the underlying obligations as contemplated by this Agreement or by the Limited Offering Memorandum, or any document relating to the issuance, offering, or sale of the Bonds is or would be in violation of any provision of the federal securities laws on the date of Closing, including the Securities Act, the Securities Exchange Act of 1934 (the "Securities Exchange Act"), and the Trust Indenture Act; or

11. Establishment of Issue Price. Notwithstanding any provision of this Agreement to the contrary, the following provisions related to the establishment of the issue price of the Bonds apply:

(a) Definitions. For purposes of this Section, the following definitions apply:

(1) *"Public"* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than a Participating Underwriter or a Related Party to a Participating Underwriter.

(2) *"Participating Underwriter"* means (A) any person that agrees pursuant to a written contract with the City (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public).

(3) “*Related Party*” means any two or more persons who are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another) or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interest or profits interest of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(4) “*Sale Date*” means the date of execution of this Agreement by all parties.

(b) *Issue Price Certificate.* The Underwriter agrees to assist the City in establishing the issue price of the Bonds and to execute and deliver to the City at Closing an Issue Price Certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel (as defined herein), to accurately reflect, as applicable, the initial offering price (the “Initial Offering Price”) or prices or the sales price or prices to the Public of the Bonds. As applicable, all actions to be taken by the City under this section to establish the issue price of the Bonds may be taken on behalf of the City by the City’s financial advisor and any notice or report to be provided to the City may be provided to the City’s financial advisor.

(c) *Substantial Amount Test.* The City will treat the Initial Offering Price at which at least ten percent (a “Substantial Amount”) in principal amount of each maturity of the Bonds is sold to the Public as of the Sale Date (the “Substantial Amount Test”) as the issue price of that maturity (or each separate CUSIP number within that maturity). Those maturities of the Bonds which do not satisfy the Substantial Amount Test (the “Hold-the-Price Maturities”) will be identified in the Issue Price Certificate and will be subject to the Hold-the-Price Restriction (as hereinafter defined). At or promptly after the execution of this Agreement, the Underwriter will report to the City the price or prices at which the Participating Underwriters have offered and sold to the Public each maturity of the Bonds.

(d) *Hold-The-Price Restriction.* The Underwriter agrees that it will neither offer nor sell any of the Hold-the-Price Maturities to any person at a price that is higher than the applicable Initial Offering Price for such maturity during the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date or (ii) the date on which the Underwriter has sold a Substantial Amount of such Hold-the-Price Maturity to the Public at a price that is no higher than the Initial Offering Price of such Hold-the-Price Maturity (the “Hold-the-Price Restriction”). The Initial Offering Price of the Hold-the-Price Maturities shall be the issue price for such maturities.

The Underwriter shall promptly advise the City when the Participating Underwriters have sold a Substantial Amount of each such Hold-The-Price Maturity to the Public at a price that is no higher than the applicable Initial Offering Price of such Hold-The-Price Maturity, if that occurs prior to the close of the fifth business day after the Sale Date.

The City acknowledges that, in making the representation set forth in this subparagraph (4), the Underwriter will rely on (A) the agreement of each Participating Underwriter to comply with the Hold-the-Price Restriction, as set forth in an agreement among underwriters and the related pricing wires, (B) in the event a selling group has been created in connection with the sale of the Bonds to the Public, the agreement of each dealer who is a member of the selling group to comply with the Hold-the-Price Restriction, as set forth in a selling group agreement and the related pricing wires, and (C) in the event that a Participating Underwriter is a party to a third-party distribution agreement that was employed in connection with the sale of the Bonds, the agreement of each such underwriter, dealer or broker-dealer that is a party to such agreement to comply with the Hold-the-Price Restriction, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that each Participating Underwriter will be solely liable for its failure to comply with its agreement regarding the Hold-the-Price Restriction and that no Participating Underwriter will be liable for the failure of any other Participating Underwriter to comply with its corresponding agreement regarding the Hold-the-Price Restriction as applicable to the Bonds.

(e) *Agreements Among Participating Underwriters.* The Underwriter confirms that:

(1) any agreement among underwriters, any selling group agreement and each third-party distribution agreement to which the Underwriter is a party relating to the initial sale of the Bonds to the Public, together with related pricing wires, contains or will contain language obligating each Participating Underwriter, each dealer who is a member of any selling group, and each broker-dealer that is a party to any such third-party distribution agreement, as applicable, to (A) report the prices at which it sells to the Public the unsold Bonds of each maturity allocated to it until it is notified by the Underwriter that either the Substantial Amount Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public, (B) comply with the Hold-the-Price Restriction, if applicable, in each case if and for so long as directed by the Underwriter and as set forth in the relating pricing wires, and (C) acknowledge that, unless otherwise advised by the Participating Underwriter, the Underwriter will assume that based on such agreement each order submitted by the underwriter, dealer or broker-dealer is a sale to the Public; and

(2) any agreement among underwriters relating to the initial sale of the Bonds to the Public, together with related pricing wires, contains or will contain language obligating each Participating Underwriter that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each underwriter, dealer, or broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it

sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter or the applicable Participating Underwriter that either the Substantial Amount Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the Public and (B) comply with the Hold-the-Price Restriction, if applicable, in each case if and for so long as directed by the Underwriter or the applicable Participating Underwriter and as set forth in the relating pricing wires.

(f) *Sale to Related Party not a Sale to the Public.* The Participating Underwriters acknowledge that sales of any Bonds to any person that is a Related Party to a Participating Underwriter do not constitute sales to the Public for purposes of this Section. If a Related Party to a Participating Underwriter purchases during the initial offering period all of a Hold-The-Price Maturity, the related Participating Underwriter will notify the Underwriter and will take steps to confirm in writing that such Related Party will either (i) hold such Bonds for its own account, without present intention to sell, reoffer or otherwise dispose of such Bonds for at least five business days from the Sale Date, or (ii) comply with the Hold-The-Price Restriction

12. Consequences of Termination. If the City shall be unable to satisfy the conditions contained in this Agreement or if the obligations of the Underwriter shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and the Underwriter and the City shall have no further obligation hereunder, except as further set forth in Sections 13, 15 and 16 hereof.

13. Costs and Expenses.

(a) The Underwriter shall be under no obligation to pay, and the City shall cause to be paid from proceeds of the Bonds the following expenses incident to the issuance of the Bonds and performance of the City's obligations hereunder: (i) the costs of the preparation and printing of the Bonds; (ii) the cost of preparation, printing, and mailing of the Preliminary Limited Offering Memorandum, the final Limited Offering Memorandum and any supplements and amendments thereto; (iii) the fees and disbursements of the City's financial advisor and legal counsel, the Trustee's counsel, Bond Counsel, Developer/Fee Developer's Counsel, and the Trustee relating to the issuance of the Bonds; (iv) the Attorney General's review fees; (v) the fees and disbursements of accountants, advisers and any other experts or consultants retained by the City, the Developer, or the Fee Developer, including but not limited to the fees and expenses of the Appraiser and the PID Administrator; and (vi) the expenses incurred by or on behalf of City employees and representatives that are incidental to the issuance of the Bonds and the performance by the City of its obligations under this Agreement.

(b) The Underwriter shall pay the following expenses: (i) all advertising expenses in connection with the limited offering of the Bonds; (ii) fees of counsel to the Underwriter; and (iii) all other expenses, including CUSIP fees (including out-of-pocket expenses and related regulatory expenses), incurred by it in connection with its offering and distribution of the Bonds, except as noted in Subsection 13(a) above.

(c) The City acknowledges that the Underwriter will pay from the Underwriter's expense allocation of the underwriting discount the applicable per bond assessment charged by the Municipal Advisory Council of Texas, a nonprofit corporation whose purpose is to collect, maintain and distribute information relating to issuing entities of municipal securities.

15. Entire Agreement. This Agreement is made solely for the benefit of the City and the Underwriter (including their respective successors and permitted assigns), and no other person shall acquire or have any right hereunder or by virtue hereof. All of the City's representations, warranties, and agreements contained in this Agreement shall remain operative and in full force and effect regardless of: (i) any investigations made by or on behalf of the Underwriter, provided the City shall have no liability with respect to any matter of which the Underwriter has actual knowledge prior to the purchase of the Bonds, or (ii) delivery of any payment for the Bonds pursuant to this Agreement. The agreements contained in the last sentence of the penultimate paragraph of Section 1, this Section 15, and in Sections 13 and 16 shall survive any termination of this Agreement.

16. Survival of Representations and Warranties. All representations and warranties of the parties made in, pursuant to or in connection with this Agreement shall survive the execution and delivery of this Agreement, notwithstanding any investigation by the parties. All statements contained in any certificate, instrument, or other writing delivered by a party to this Agreement or in connection with the transactions described in or by this Agreement constitute representations and warranties by such party under this Agreement to the extent such statement is set forth as a representation and warranty in the instrument in question.

17. Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. The City and the Underwriter agree that electronic signatures to this Agreement may be regarded as original signatures.

18. Severability. In case any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof.

19. State Law Governs. The validity, interpretation, and performance of this Agreement shall be governed by the laws of the State of Texas.

20. No Assignment. The rights and obligations created by this Agreement shall not be subject to assignment by the Underwriter or the City without the prior written consent of the other parties hereto.

21. No Personal Liability. None of the members of the City Council, nor any officer, representative, agent, or employee of the City, shall be charged personally by the Underwriter with any liability, or be held liable to the Underwriter under any term or provision of this Agreement, or because of execution or attempted execution, or because of any breach or attempted or alleged breach of this Agreement.

22. Form 1295. Submitted herewith or on a date prior hereto is a completed Form 1295 in connection with the Underwriter's participation in the execution of this Agreement generated by the Texas Ethics Commission's (the "TEC") electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the "Form 1295"). The City hereby confirms receipt of the Form 1295 from the Underwriter, and the City agrees to acknowledge such form with the TEC through its electronic filing application not later than the 30th day after the receipt of such form. The Underwriter and the City understand and agree that, with the exception of information identifying the City and the contract identification number, neither the City nor its consultants are responsible for the information contained in the Form 1295, that the information contained in the Form 1295 has been provided solely by the Underwriter, and neither the City nor its consultants have verified such information.

23. Anti-Boycott Verification. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2271.002, Texas Government Code, the Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to enable the Issuer to comply with such Section and to the extent such Section does not contravene applicable federal law. As used in the foregoing verification, "boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

24. Iran, Sudan and Foreign Terrorist Organizations. The Underwriter represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to enable the City to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable State or federal law and excludes the Underwriter and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

25. No Discrimination Against Fossil-Fuel Companies. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. As used in the foregoing verification, “boycott energy companies,” shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and State law; or (B) does business with a company described by (A) above.

26. No Discrimination Against Firearm Entities and Firearm Trade Associations. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable federal or State law.

As used in the foregoing verification,

(a) “discriminate against a firearm entity or firearm trade association” (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company’s refusal to engage in the trade of any goods or services, decision

(b) "firearm entity" means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (i.e., weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (i.e., devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e., a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code), and

(c) "firearm trade association" means a person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code.

In rendering the opinions set forth below, we have also relied upon: (a) the representations and warranties contained in the Reviewed Documents; (b) the resolutions and other documents of the parties to the Reviewed Documents authorizing or approving the Reviewed Documents; (c) the Closing Certificate of the Developer delivered pursuant to the Bond Purchase Agreement; (d) the Developer’s Letter of Representations delivered pursuant to the Bond Purchase Agreement; (e) the Closing Certificate of the Fee Developer delivered pursuant to the Bond Purchase Agreement; (f) the Fee Developer’s Letter of Representations delivered pursuant to the Bond Purchase Agreement; (g) the legal opinion delivered pursuant to the Bond Purchase Agreement by Miklos Cinclair, PLLC, Developer’s and Fee Developer’s Counsel; (h) the PID Administrator’s Letter of Representations delivered pursuant to the Bond Purchase Agreement; and (i) the Appraiser’s Letter of Representations delivered pursuant to the Bond Purchase Agreement (collectively, the “Reliance Materials”). Additionally, we have assumed that none of the Reviewed Documents or Reliance Materials contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements made, in light of the circumstances in which they are made, not misleading. We have not made any examination of any accounting or financial matters, and we express no opinion with respect thereto.

The opinions expressed herein are subject to the correctness in understanding that no beneficiary to this opinion letter may rely on this opinion letter to the extent that such beneficiary or its counsel has actual knowledge of any applicable laws, facts, or circumstances which would make any opinion expressed herein incorrect, subject to question, or require further investigation of any laws, facts or circumstances.

Whenever our opinion or advice with respect to the existence or absence of facts is indicated to be based on our knowledge, we are referring to the actual knowledge of the Messer, Fort & McDonald, PLLC attorneys who have given substantive attention to matters concerning the City during the course of our representation of the City in connection with the Reviewed

Documents, which knowledge has been obtained by such attorneys in their capacity as such. In particular, our response does not include matters known to any attorney of our firm in a capacity other than as counsel to the City. Further, the words “our knowledge,” “our actual knowledge” and similar expressions used in this opinion letter are intended to be limited to the actual knowledge of Julie Fort of our firm who has been directly involved in representing the City. We have not undertaken any independent investigation to determine the existence or absence of such facts, and no inference as to our knowledge concerning such facts should be drawn from the fact that such limited representation has been undertaken by us.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, we are of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Authorizing Documents and the Reviewed Documents. The City has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in connection with the execution of the Authorizing Documents and the Reviewed Documents and the performance of its obligations thereunder.

2. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or threatened against the City: (a) affecting the existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Improvement Area #2 Assessments in Improvement Area #2 of the District pursuant to the provisions of the Improvement Area #2 Assessment Ordinance, the Improvement Area #3 Assessments in Improvement Area #3 of the District pursuant to the provisions of the Improvement Area #3 Assessment Ordinance, and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability of the City’s performance of the Reviewed Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City.

3. The Authorizing Documents were duly enacted by the City and remain in full force and effect on the date hereof.

4. The Reviewed Documents have been duly authorized, executed and delivered by the City and remain legal, valid and binding obligations of the City enforceable against the City in accordance with their terms. However, the enforceability of the obligations of the City under such Reviewed Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, and (c) the application of Texas law relating to action by future councils and relating to governmental immunity applicable to governmental entities.

5. The performance by the City of the obligations under the Authorizing Documents and the Reviewed Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

6. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the Authorizing Documents and the Reviewed Documents.

7. The adoption of the Authorizing Documents and the execution and delivery of the Reviewed Documents and the compliance with the provisions of the Authorizing Documents and the Reviewed Documents under the circumstances contemplated thereby, to the best of our knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the City a violation, breach of or default under any existing law, regulation, court order or consent decree to which the City is subject.

The foregoing opinions are, with your concurrence, predicated on, limited by and qualified in their entirety by the following:

The opinions expressed above concern only the effect of the laws (excluding the principles of conflict of laws) of Texas and the United States of America as currently in effect.
