SECTION 2. LOCATION AND RESTORATION. Poles, towers and other structures shall be so erected and maintained as not to unreasonably interfere with traffic over streets, alleys, and highways and the safety and convenience of travel thereof. The Company shall restore at the Company's expense, all work within the City Public Rights-of-Way, to a condition equally as good as it was immediately prior to being

disturbed by Company's construction, excavation, repair or removal or to a condition agreed upon by City and Company. If City or Company believe that there are extenuating circumstances that do not allow for restoration of all Company work within the City Rights-of-Way to a condition equally as good as it was immediately prior to being disturbed by Company, City and Company will negotiate an alternative restoration plan (in writing) to remedy the situation. Absent an agreement to an alternative restoration plan, either party has a right to request review of the matter by any court or regulatory agency having jurisdiction.

SECTION 3. RIGHTS RESERVED.

A. The City reserves the right to lay, and permit to be laid, storm, sewer, gas, water, wastewater and other pipe lines, cables, and conduits, or other improvements and to do and permit to be done any underground or overhead work that may be necessary or proper in, across, along, over, or under Public Rights-of-Way occupied by Company. The City also reserves the right to change in any manner any curb, sidewalk, highway, alley, public way, street, utility lines (or in the case of utility line owned by Company, to require that change by Company), storm sewers, drainage basins, drainage ditches, and the like.

B. City shall provide Company with at least thirty (30) days' notice when requesting Company to relocate facilities and shall specify a new location for such facilities along the Public Rights-of-Way. Company shall, except in cases of emergency conditions or work incidental in nature, obtain a permit, if required by City ordinance, prior to performing work in the Public Rights-of-Way, except in no instance shall Company be required to pay fees or bonds related to its use of the Public Rights-of-Way, despite the City's enactment of any ordinance providing the contrary. The City shall be notified as soon as practicable regarding work performed under emergency conditions. Company shall construct its facilities in conformance with the applicable provisions of the National Electrical Safety Code. Company and city retain all of their rights with applicable local, state, federal, laws, rules and regulations. City-requested relocations of Company facilities in the Public Rights-of-Way shall be at the Company's expense; provided however, if the City is the end use Retail Customer (customer who purchases electric power or energy and ultimately consumes it) requesting the removal or relocation of Company Facilities for its own benefit, or the project requiring the relocation is solely aesthetic/beautification in nature, it will be at the total expense of the City. Provided further, if the relocation request includes, or is for, the Company to relocate above-ground facilities to an underground location, City shall be fully responsible for the additional cost of placing the facilities underground.

C. If any other corporation or person (other than City) requests Company to relocate Company

facilities located in City Rights-of-Ways, the Company shall not be bound to make such changes until such other corporation or person shall have undertaken, with good and sufficient bond, to reimburse the Company for any costs, loss, or expense which will be caused by, or arises out of such change, alteration, or relocation of Company's Facilities. City may not request the Company to pay for any relocation which has already been requested, and paid for, by any entity other than City.

D. If City abandons any Public Rights-of-Way in which Company has facilities, such abandonment shall be conditioned on Company's right to maintain its use of the former Public Rights-of-Way and on the obligation of the party to whom the Public Rights-of-Way is abandoned to reimburse Company for all removal or relocation expenses if Company agrees to the removal or relocation of its facilities following abandonment of the Public Rights-of-Way. If the party to whom the Public Rights-of-Way is abandoned requests the Company to remove or relocate its facilities and Company agrees to such removal or relocation, such removal or relocation shall be done within a reasonable time at the expense of the party requesting the removal or relocation. If relocation cannot practically be made to another Public Rights-of-Way, the expense of any right-of-way acquisition shall be considered a relocation expense to be reimbursed by the party requesting the relocation.

Company shall retain defense counsel within seven (7) business days of City's written notice that City is invoking its right to indemnification under this franchise. Due to a 2006 agreement between Company and City the franchise fee factor was increased to a franchise fee factor of 0.003544 (the "Current Factor"), multiplied by each kilowatt hour of electricity delivered by Company to each retail customer whose consuming facility's point of delivery is located within the City's municipal boundaries on an annual basis.

However, consistent with the 2006 agreement, should the Public Utility Commission of Texas at any time disallow Company's recovery through rates of the higher franchise payments made under the Current Factor as compared to the Base Factor, then the franchise fee factor shall immediately revert to the Base Factor of 0.003375 and all future payments, irrespective of the time period that is covered by the payment, will be made using the Base Factor.

 3. Company may file a tariff or tariff amendment(s) to provide for the recovery of the franchise fee on Discretionary Service Charges.
 4. City agrees (i) to the extent the City acts as regulatory authority, to adopt and approve that portion of any tariff which provides for 100% recovery of the franchise fee on Discretionary Service Charges; (ii) in the event the City intervenes in any regulatory proceeding before a federal or state agency in which the recovery of the franchise fees on such Discretionary Service Charges is an issue, the City will take an affirmative position supporting the 100% recovery of such franchise fees by Company and; (iii) in the event of an appeal of any such regulatory proceeding in which the City has intervened, the City will take an affirmative position in any such appeals in support of the 100% recovery of such franchise fees by Company.
 5. City agrees that it will take no action, nor cause any other person or entity to take any action, to prohibit the recovery of such franchise fees by Company.

6. In the event of a regulatory disallowance of the recovery of the franchise fees on the Discretionary Service Charges, Company will not be required to continue payment of such franchise fees.
- C. Company shall keep accurate books of account at its principal office for the purpose of determining the amount due to the City under this franchise. Pursuant to Section 33.008(e) of the Texas Utilities Code, the City may conduct an audit or other inquiry in relation to a payment made by Company less than two (2) years before the commencement of such audit or inquiry. The City may, if it sees fit, and upon reasonable notice to the Company, have the books and records of the Company examined by a representative of the City to ascertain the correctness of the reports agreed to be filed herein. Company shall make available to the auditor during the Company's regular business hours and upon reasonable notice, such personnel and records as the City may, in its reasonable discretion, request in order to complete such audit, and shall make no charge to the City therefore. The Company shall respond to all requests for information no later than thirty (30) days after receipt of a request.
- D. If, as the result of any City audit, Company is refunded/credited for an overpayment, or pays the City for an underpayment, of the franchise fee, such refund/credit or payment shall be made pursuant to the terms established in Section 7.G.
- E. If, as a result of a subsequent audit, initiated within two years of an audit which resulted in Company making a payment to the City due to an underpayment of the franchise fee of more than 5%, Company makes another payment to the City due to an underpayment of the franchise fee of more than 5%, the City may immediately treat this underpayment as an Uncured Event of Default and exercise the remedies provided for in Section 8.C.
- F. If the Company provides confidential or proprietary information to the City, the Company shall be solely responsible for identifying such information with markings calculated to bring the City's attention to the proprietary or confidential nature of the information. City agrees to maintain the confidentiality of any non-public information obtained from Company to the extent allowed by law. City shall not be liable to Company for the release of any information the City is required by law to release. City shall provide notice to Company of any request for release of non-public information prior to releasing the information so as to allow Company adequate time to pursue available remedies for protection. If the City receives a request under the Texas Public Information

Act that includes Company's proprietary information, City will notify the Texas Attorney General of the proprietary nature of the document(s). The City also will provide Company with a copy of this notification, and thereafter Company is responsible for establishing that an exception under the Act allows the City to withhold the information.

- G. If either party discovers that Company has failed to pay the entire or correct amount of compensation due under this Section, the correct amount shall be determined by mutual written agreement between the City and Company and the City shall be paid by Company within thirty (30) calendar days of such determination. Any overpayment to the City through error or otherwise will, at the sole option of the City, either be refunded to Company by the City within thirty (30) days of such determination or offset against the next payment due from Company. Acceptance by either party of any payment due under this Section shall not be deemed to be a waiver by either party of any claim of breach of this franchise, nor shall the acceptance by either party of any such payments preclude either party from later establishing that a larger amount was actually due or from collecting any balance due. Nothing in this Section shall be deemed a waiver by either party of its rights under law or equity. Interest on late payments shall be calculated in accordance with the interest rate for customer deposits by the Public Utility Commission of Texas in accordance with the Texas Utilities Code, Section 183.003, as amended. The franchise fee payable to the City pursuant to Section 7.A. hereunder, except as agreed to by Company and City in Section 7.G., shall not be offset by any payment by Company to the City relating to ad valorem taxes.

SECTION 8. DEFAULT, REMEDIES, AND TERMINATION.

- A. Events of Default. The occurrence, at any time during the term of this franchise, of any one or more of the following events, shall constitute an "Event of Default" by Company under this franchise:
- a. The failure of Company to pay the franchise fee on or before the due dates specified herein.
 - b. Company's material breach or material violation of any material terms, covenants, representations, or warranties contained herein.
- B. Uncured Events of Default.
- a. Upon the occurrence of an Event of Default which can be cured by the immediate payment of money to the City, Company shall have thirty (30) calendar days from receipt of written notice from City of an occurrence of such Event of Default to cure

same before City may exercise any of its rights or remedies provided for in Section 8.C.

- b. Upon the occurrence of an Event of Default by Company which cannot be cured by the immediate payment of money to City, Company shall have sixty (60) calendar days (or such additional time as may be agreed to by the City) from receipt of written notice from City of an occurrence of such Event of Default to cure same before City may exercise any of its rights or remedies provided for in Section 8.C.
- c. If the Event of Default is not cured within the time period allowed for curing the Event of Default as provided for herein, such Event of Default shall, without additional notice, become an Uncured Event of Default, which shall entitle City to exercise the remedies provided for in Section 8.C.

C. Remedies.

- a. The City shall notify the Company in writing of an alleged Uncured Event of Default as described in Section 8.B, which notice shall specify the alleged failure with reasonable particularity. The Company shall, within thirty (30) business days after receipt of such notice or such longer period of time as the City may specify in such notice, either cure such alleged failure or in a written response to the City either present facts and arguments in refuting or defending such alleged failure or state that such alleged failure will be cured and set forth the method and time schedule for accomplishing such cure. In the event that such cure is not forthcoming, City shall be entitled to exercise any and all of the following cumulative remedies:
 - i. The commencement of an action against Company at law for monetary damages;
 - ii. The commencement of an action in equity seeking injunctive relief or the specific performance of any of the provisions that as a matter of equity, are specifically enforceable;
 - iii. The commencement of proceedings to seek revocation of Company's certificate of convenience and necessity to serve any or all of Company's service area located within the City; and/or
 - iv. The termination of this franchise.

- D. The rights and remedies of City and Company set forth in this Franchise Agreement shall be in addition to, and not in limitation of, any other rights and remedies provided by law or in equity. City and Company understand and intend that such remedies shall be cumulative to the

maximum extent permitted by law and the exercise by City of any one or more of such remedies shall not preclude the exercise by City, at the same or different times, of any other such remedies for the same failure to cure. However, notwithstanding this Section or any other provision of this franchise, City shall not recover both liquidated damages and actual damages for the same violation, breach, or noncompliance.

- E. Termination. In accordance with the provisions of Section 8.C, this franchise may be terminated upon thirty (30) business day's prior written notice to Company by City. City shall notify Company in writing at least fifteen (15) business days in advance of the City Council meeting at which the question of forfeiture or termination shall be considered, and Company shall have the right to appear before the City Council in person or by counsel and raise any objections or defenses Company may have that are relevant to the proposed forfeiture or termination. The final decision of the City Council may be appealed to any court or regulatory authority having jurisdiction. Upon timely appeal by Company of the City Council's decision terminating the franchise, the effective date of such termination shall be either when such appeal is withdrawn or an order upholding the termination becomes final and unappealable. Until the termination becomes effective the provisions of this franchise shall remain in effect for all purposes. The City recognizes Company's right and obligation to provide service in accordance with the Certificate of Convenience and Necessity authorized by the Public Utility Commission of Texas in accordance with the Texas Utilities Code.
- F. The failure of either party to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by either party unless said waiver or relinquishment is in writing and signed by that party.

SECTION 9. NOTICE. A writing or notice relating to this Ordinance shall be effective upon receipt and sent by either United States mail (postage prepaid), or overnight delivery, or hand delivery as follows:

SECTION 10. RIGHT OF RENEGOTIATION.

- A. Should either Company or the City have cause to believe that a change in circumstances relating to the terms of this franchise may exist, it may request that the other party provide it with a reasonable amount of information to assist in determining whether a change in circumstances has taken place.
- B. Should either party hereto determine that based on a change in circumstances, it is in the best interest to renegotiate all or some of the provisions of this franchise, then the other party agrees to enter into good faith negotiations. Said negotiations shall involve reasonable, diligent, and timely discussions about the pertinent issues and a resolute attempt to settle those issues. The obligation to engage in such negotiations does not obligate either party to agree to an amendment of the franchise as a result of such negotiations. A failure to agree does not show a lack of good faith. If, as a result of renegotiation, the City and Company agree to a change in a provision of this Ordinance, the change shall become effective upon passage of an ordinance by the City and written acceptance of the amendment by Company.
